For Immediate Release

CAPRIUS SUBSIDIARY APPOINTS EXCLUSIVE DISTRIBUTOR FOR ITS STERIMED SYSTEMS IN THE CARIBBEAN

FORT LEE, NJ – January 25, 2006 – Caprius, Inc. (OTCBB: CAPS) today announced that its subsidiary, M.C.M. Environmental Technologies, Inc. (“MCM”), has entered into a three year exclusive Distribution Agreement with Renal Dynamics, LLC, a Florida based distributor and provider of health and dialysis related products and services in the Caribbean. Under the terms of the agreement, Renal Dynamics will exclusively distribute MCM’s SteriMed systems for the on-site disposal of infectious medical waste within the Distributor’s territory. The agreement specifies that Renal Dynamics will purchase a minimum of 42 SteriMed systems during the term of the agreement.

Elliott Koppel, VP, Sales and Marketing, stated: “We are extremely pleased that Renal Dynamics, through the efforts of their highly trained professionals, will act on behalf of our Company in distributing the SteriMed systems in the Caribbean. We are confident that this relationship will be beneficial to both parties and to the healthcare community.”

About Caprius

Caprius, Inc. is a manufacturer of proprietary equipment for the on-site disinfection and disposal of infectious medical waste through its subsidiary, M.C.M. Environmental Technologies, Inc. (“MCM”). The Company’s innovative SteriMed technology simultaneously shreds and disinfects solid and liquid regulated medical waste, reducing the volume by up to 90% and rendering it harmless for disposal as ordinary waste. The SteriMed units are economical, compact, efficient and convenient, as well as environmentally friendly. The MCM patented technology offers an alternative to hauling and incinerating medical waste. Industry analysts estimate the medical waste market to be approximately \$3 billion in the US and approximately \$10 billion worldwide. More information on the Company and MCM can be found at www.caprius.com and www.mcmetech.com.
